

## Yale Forklift Parts

Yale Forklift Parts - Yale Materials Handling Corporation is a worldwide association that's part of the NACCO Materials Handling Group or otherwise known as NMHG. NAACO Materials Handling Group is the biggest manufacturer of forklifts in the United States. They have \$1.5 billion in revenues, making them the third largest around the globe. NMHG designs, engineers, builds and sells a complete series of forklifts using the Yale brand. The lift trucks are manufactured in the United States, the UK, the Netherlands, Mexico, Ireland, Scotland, Brazil, Italy and Japan. The retail sales of forklifts and replacement parts are sold, serviced and supported by Yale licensed sellers.

Yale stands by their commitment in being a leader within the material handling industry. They proudly provide rather more than the most complete series of forklifts. Each and every one of their forklifts include the support of the whole company. Their experienced service technicians have every choice available to manage and finance your lift truck fleet. The strategically situated dealer community gives clients great flexibility and customer assistance.

Provided by Yale is a whole line of high quality components, equipment and assistance together with: gas, electric, LP-gas and diesel driven forklifts, narrow aisle and power-driven hand trucks. Yale is a number one provider of training, components financing and comprehensive Fleet Management services as well. With over eighty years within the material handling business, Yale is dedicated to offering all of their buyer's with a custom solution for their requirements.

Furthermore, Yale trucks are made in an ISO9001:2000 registered facility and range in capacity beginning from 2,000 pounds to thirty six thousand pounds. Their skilled staff along with the support of their vendor community makes certain delivery of an excellent product each time.
