

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with effectively developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They like providing products which energize both their partners and their dealers and provide production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills combined with their understanding of cleaning applications, along with owners' strong desire to significantly lower expense through productivity gains.

The personnel at TREK and their dealer-partners are really dedicated to having both parts and technical support available when it is required. Their high service devotion is one of the core values in their customer service. Keeping their clients' cleaning machines working and ready daily is top priority. The company's top of the line technology delivers dependable machine that ultimately lessens your cost of cleaning. The service, the product and the price all work together in order to make them an industry leader.
